SUPPLMENTAL INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the attached form PTO-1449. These references have recently been cited by the German Patent and Trademark Office with respect to a related application.

According to the German Examiner, each reference discloses a device for preparing mixed beverages. The devices each comprise a mixing chamber, a plurality of extract containers, and a liquid supply. According to a selection made by the user, those devices allow the ingredients to be mixed with water and also allow the ready mixed drink to flow into a receptacle.

Neither of these references discloses a feed opening via which a powdery soluble extract can be supplied manually to the mixing chamber.

This statement is being filed within three months of the filing date of the application or before the receipt of a first Office action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.
